YOUNG PROFESSIONALS GROUP

Have a ball. Help neighbors in need.

Join us on October 18, 2024, for an evening of fundraising and FootGolf, all for a great cause – the Health First Foundation’s Compassionate Care Fund.

The Compassionate Care Fund provides assistance to eligible patients in the form of a Guardian Angel grant – an anonymous grant which may help with transportation to treatments, prescriptions, and even accessibility issues at the patient’s home.
